

**Strip # 3 - Make a 42 inch wide strip as follows**

**Fabric requirements-** all strips are width of fabric:

Fabric A: Two strips 1.25 inches wide,  
plus one strip 1.5 inches wide

Fabric D: Two strips 1.25 inches wide,  
plus one strip 1.5 inches wide

Fabric E: Four strips 1.5 inches wide,  
plus two strips 1.25 inches wide

**Tips:**

- This is much simpler than it looks - Hold your nerve!
- All the cut strips are similar widths so pay attention to which attaches to which.

Stitch together four strips as shown.

Press all seams towards the darker fabric.

**Keep the 1.5 inch strips of fabrics A & D aside for later**

Cut strips 1 and 2 into 3.25 inch pieces.

**Cut 8 of each.**

Sew the slices at right angles along the appropriate strip as shown (Strip 1 pieces to Strip 3, and Strip 2 pieces to strip 4)

Trim into "T" blocks, and stitch together, alternating colour sets, and flipping every second block.

Depending on seam allowance, you will use seven of one colour, and eight of the other to make a 42" strip.

Sew on the reserved 1.5 inch strips of fabrics A & D, matching the colours as shown.

This is our April block. We will have a show-and-tell at the May meeting.
